Profile Summary

I am Surendra Kumar, a skilled Data Analyst and VBA Developer with 5+ years of experience, specializing in data analysis, data engineering, and data science. Proficient in Python (NumPy, Pandas, Matplotlib, Seaborn) and VBA, I have successfully delivered data-driven insights for clients like Uber and Coca-Cola. Experienced in machine learning using Scikit-Learn and advanced data visualization with Microsoft Power BI, I excel at transforming complex data into actionable business strategies. Passionate about the finance sector, I am actively seeking senior roles as a Senior Data Analyst, Data Engineer, or Data Scientist to leverage my expertise in delivering impactful solutions.
